

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Boy, wasn't that a mess Saturday night in Fort Worth. For those who did not make the trip, and from the number of people that were at the game at kickoff time that could not have been many, it started raining just after the game started and stopped just after it was over.

It looked like just about everybody tried to tough it out until half but then most of them gave up. It was just raining too hard. Looking up in the stands from down on the field it was a wild sight. Fans, and they had to be fans to stay there at all, were covered up with everything they could find in their cars—raincoats, sheets of plastic, blankets, etc.

Of course, had we won we are sure that the mess would not have been nearly so bad. But it is hard to win against anybody when you give them two quick easy touchdowns like we gave Nolan the other night.

Usually we get to sit up in a warm, dry press box and look down at everybody else as they try to stay warm or dry during weather like this, but this week we were not so lucky. The press box at Trinity Field was so small that we had to run the sidelines. Our notes got so wet that the statistics may be more guess than fact.

Our family and the Grady Allen family took in Six Flags Sunday and we ran into a number of Hamlin people there. Also we understand that a large number of local fans went over to Dallas Sunday to see the Cowboys maul the Giants.

If you have to go that far to see a ballgame it is nice to go to Fort Worth or Dallas where you can make a pleasant weekend out of it and not just go someplace where all you can do is turn around and come home after the game.

This was our family's third trip to Six Flags and it is hard to tell who enjoys it the most, the kids or their father. That place just fascinates me. It is almost unbelievable how much entertainment they can put in such a small place.

As we said this was our third trip and each time they have added enough new things to each attraction that it will hold your interest each time you go. Texans can be very proud that these people have had the vision to not only construct Six Flags but also to keep enlarging it.

The one thing that seems to impress nearly everyone you talk to that has been there is how clean they manage to keep the place with that many people going through it each day.

The Texas Water Development Board has held its final hearing on the Texas Water Plan and will now try to rework their plan to best fit the needs of Texas as expressed by the people from across the state.

This group has been under fire from all over the state about the details of the plan, especially from West Texas.

The biggest problem faced by this group is the fact that according to all reliable figures there simply will not be enough water within the state to meet our needs by 1990. And the plan is supposed to cover the period through 2020.

Of course with the rain we have had for the past month or so it is easy to forget that there is just not much water in West Texas to supply the needs of a growing economy. West Texans will someday be forced to import water from out of state and the sooner we get started on the political aspects of this the better off we are going to be.

Most of our leaders seem to think that we should get more water from north and east Texas but it seems foolish to plan in that direction when over the years we would still be faced with a shortage.

It will not do us much good expending our energy fussing with the people on the water board when our real problem is the fact that mother nature just did not supply us with very much good water.

We would hope that the Texas Water Plan will wake West Texas up to the fact that we need to start work on cleaning up our available water and making plans on getting water from out of state.

TO HOST CISCO FRIDAY — The Pied Piper football squad will host the Cisco Loboes here Friday in their second home game of the season. Pictured left to right, top row, Sammy Hester, Randy Smith, Milton Davis, Jim Bonds, Larry McCoy, David Wallace, Sammy Ferguson; middle row, Jimmy Hastings, Mike

Murphree, Jerry Stuart, Bobby Moore, Raul Solis, Jesse Mendoza, bottom row, Bob Clifton, Philip Simpson, Paul Long, Joe Adams, and Rody Kelley. Not pictured are Lewis Shelton, Joe Carrington, Doug Carlton, and Ismael Mendoza. (Tim Jones Photo)

Local FFA Group Awarded Top Chapter Honor for Fifth Year

At a meeting of the Stamford District FFA Association held Tuesday in Stamford, the Hamlin FFA Chapter received the Superior Chapter Award. This award is the highest award that the Texas FFA Association can bestow upon an individual chapter. The award was based on the Hamlin Chapter's participa-

tion and accomplishments in carrying out the state program of work and the Hamlin Chapter's program of work for the 1965-66 school year. Thus Hamlin is classified as a gold emblem chapter by the Texas FFA Association. This is the fifth consecutive year for the Hamlin Chapter to be a gold emblem chapter.

COLLINS PROMOTED

Tampa, Fla. — Henry W. Collins, president of The Celotex Corporation, has been promoted to vice chairman of the Board of Directors of Jim Walter Corporation, according to James W. Walter, chairman. Eugene R. Katz, vice president and board member of Jim Walter and chairman of the board of Warren Industries, has been elected president and chief executive officer of Celotex, Walter announced. Both Celotex and Warren are subsidiaries of Jim Walter Corp.

Valton Curtis Payne and David Wright, roommates at the Frazer House in Fort Worth, were here from Friday until Sunday visiting with their parents, Mr. and Mrs. Benson Payne and Mr. and Mrs. Jimmy Wright. The young men are employed at a parts supply company in Fort Worth and are attending a trade school at night.

Mr. and Mrs. Frank Legan took their daughter, Linda, to Denton Sept. 11 to attend North Texas State University.

Randy George, Leldon Clifton, and Brit Thompson attended the meeting and represented the local chapter. Randy received the award for the chapter.

At the meeting the Hamlin Chapter was appointed by District President Leslie Garrett of Anson to work up a score card for selecting a sweepstakes winner for district FFA accomplishments.

METHODIST YOUTH TO SEE SMU-NAVY GAME

Some 20 young people and 10 adults from First Methodist Church are expected to be among the thousands of Methodist youth who will see the SMU-NAVY game free Saturday at the invitation of SMU and Navy. SMU Coach and Athletic Director Hayden Fry extended the invitation.

The youth will be seated in a special youth section.

Hamlin students now enrolled at Hardin-Simmons University are Terry Sutton, Larry Braley, and Walter Creason. All are from North Central Ave. Baptist Church.

Rites Held Here For Eli J. Bruner Wednesday

Services were held Wednesday at Calvary Baptist Church for Eli J. Bruner, life long resident of the Hamlin area. Rev. Carrell Watkins, pastor, and Rev. C. G. Barrow of Sunset Baptist Church officiated. Burial was in Neinda Cemetery.

Mr. Bruner died at 8 a.m. Tuesday at Hamlin Memorial Hospital. He had been ill about nine months.

Born Sept. 24, 1897 in Granview, Johnson Co., Texas, he was the son of the late Mr. and Mrs. L. B. Bruner. He married Wilma Galey in Lubbock Co., Texas, Dec. 20, 1922.

He was a retired farmer and a member of the Neinda Baptist Church.

Survivors include his wife, one son, Richard of Houston; three daughters, Mrs. Verlie Jo Smith, Mrs. Juanita Carter and Mrs. Bobbie Rowland all of Houston; four brothers, Leflan of Columbus, Ga., Horace of Abilene, and Roy and Sam of Hamlin; five sisters, Mrs. Eva Johnson of Hamlin, Mrs. Francis Fielder of Alpine, Mrs. Idella Mayfield of Long Beach, Calif., and Mrs. Edith Keister of Oklahoma City, Okla.; six grandchildren and one great grandchild.

Nephews and grandsons were pallbearers.

Mrs. Dick Anderson of Chicago, Ill., sister of H. D. Barnes, died last Wednesday morning, Sept. 14. Mr. Barnes attended the funeral which was held there Saturday.

BILL ROUNTREE
... receives high honor

Bill Rountree Cited As City Water Utility Man by State Organization

Bill Rountree, water superintendent for the Hamlin water supply system, was honored this week by the Texas Water and Sewage Works Association when he was cited as City Water Utility Man of the Month for September.

Rountree, a veteran of more than 40 years representing the city of Hamlin, was selected from more than 4,500 members who make up the statewide organization.

He was nominated for this district award by his district water association, the Long Star Water Sewage Association. Rountree was the first president of this association and is now serving his third term in that capacity. He has held practically every post offered by the association.

Beginning his career with the city of Hamlin in 1925, Rountree holds a Class "B" water works operator certificate and a Class "C" sewage works operator certificate, both from the Texas State Department of Health.

Pied Pipers to Host Cisco Loboes Here Friday Night

The Pied Pipers will host the Cisco Loboes here Friday night in their second home game of the season. Both teams will be seeking their first win as Cisco has lost to Ranger and Albany while Hamlin has been felled by Rotan and Nolan.

The Pipers will be looking

for a dry field Friday after losing to Nolan of Fort Worth Saturday in a downpour.

Coach Joe Youngblood said this week that he plans to make several changes in the offensive and defensive lineups for this game. The Pipers will still be nursing several minor injuries this week.

Youngblood said that if they can play on a dry field he expects to take to the air more and added that he was real pleased with the pass protection given his quarterbacks last Saturday.

On Wednesday he said that he plans to use Sammy Ferguson and Joe Adams at line-backers to gain some speed on defense.

The Cisco Loboes have a young team according to scouting reports here with five sophomores in their starting lineup but are led by senior tailback Larry Hargrave who is a top running back and a good defensive boy.

Benge Burnan, another senior, is rated as the top lineman on both offense and defense.

Probable starters for the Loboes will be Jim Turner, 154 pounds, at quarterback; David Smith, 141 pounds at wingback; Tim Cassle, 130 pounds, at fullback; and Hargrave, 185 pounds, at tailback. Expected to start in the line will be Robert Pitts, 153 pounds, at center; Preston Midkiff, 147 pounds, and Randy Honea, 140 pounds, at guards; John Preslar, 189 pounds, and Benge Burnan, 190 pounds, at tackles; and Randy Graham, 170 pounds, and Jerry Martindale, 150 pounds, at ends.

Montgomery Ward Catalog Store or Reynolds' Drug Store.

Tickets for the chili supper to be served from 5 to 7 p.m. Saturday in the high school cafeteria will go on sale the last week of September.

Ex-student Bob Frank Bledsoe of Arlington will be master of ceremonies for the business meeting to be held in the auditorium at 1:30 p.m. Oct. 8.

Ex-Student Group Becoming Active As Homecoming Nears

With only three weeks remaining before Hamlin's 1966 Homecoming festivities begin, the Ex-student Association is running in high gear during the final days of preparation.

A spokesman for the group said this week that there are several items of interest which the officers wish to remind the Hamlin people about. First of all, the association wants to remind all boys and girls to get their bicycles ready to enter for prizes in the parade.

Another phase of the parade which will include the children will be the "Little Pipers" in which all participants dress as pipers. Any mothers who have "Little Piper" suits that they no longer wish to keep may contact Mrs. Kenneth Young. Those interested in having their children in this activity should also contact Mrs. Young.

The Homecoming parade will be at 10:30 Saturday morning, Oct. 8. Participants will assemble at the ball park on Southwest Fifth Street.

Registration will be in the

P-TA Launches Membership Drive

The membership drive for the Hamlin Parent-Teachers Association will begin Friday, Sept. 23, and continue through Sept. 30.

The membership committee, headed by Mrs. Parker Kelly, is stressing that a person does not have to be a parent to become a member. Membership is \$1 per person.

Projects of the P-TA have been adding air conditioners to the buildings, the milk fund and many others.

County Purchases Four Trucks From Anson Chevrolet Dealer

Lawrence Hall Chevrolet Co., of Anson was awarded contract to supply Jones County with four two and a half ton trucks. Bids were opened and tabulated by county commissioners Thursday.

Price quoted on the 170 horse power six cylinder trucks was \$2799.10 each. The county ordered three. Price on an eight cylinder, 185 horsepower truck, was \$2802.58. One was bought.

Specifications called for two-speed axle, no bed, extra heavy duty springs, 825x20 rear tires, 825x20 front tires, two way power takeoff, turn signal lights. Wheelbase was to have been approximately 134 inches. There was no tade in bid notice asked that full details be given us to the horsepower of both the six and eight cylinder models.

Two bidders submitted prices lower than that of

Lawrence Hall but these bids were rejected because horsepower rating was lower than desired, commissioners said.

Other bidders and their offers were:

Middlebrook Ford, Anson, six cylinder Ford, \$2925, eight, \$3008.

Royal Ford, Stamford, six, \$3283.03; eight, \$3369.18.

Simmons Pontiac, Anson, GMC six, \$3139.41; No bid on eight.

Anson Implement Co., International six, 153.05 hp, \$2732.05; eight, \$2820.95.

Wofford Motors, Stamford, International, six, \$3367.48.

Carl Murrell Chevrolet, Hamlin, six, \$3114; eight, \$3199.

Curtis Dodge, Anson, 140 hp six, \$2625; eight, \$2748.

Precinct 2 took trucks and one each went to precincts 1 and 4.

Visiting with O. L. Cohorn this weekend were three of his daughters, Mrs. Jewel Nelson of Fort Walton Beach, Fla., Mrs. Bill (Gladys) Sweatt of Big Lake and Mrs. T. C. Gabriel of Hobbs, N. Mex.

Mr. and Mrs. L. V. Greer returned home Sunday evening from Clovis, N. Mex. where they had been on business and also visited with his cousin, Mr. and Mrs. Mike Greer.

7th Grade, B Team To Host Anson Here Tonight

The Hamlin High B Team and the Junior High Seventh Grade will host Anson here tonight (Thursday) with the seventh grade game starting at 6. The Freshmen were scheduled to play Anson tonight but Anson cancelled all of their freshmen games for lack of players.

The freshmen and B team will be combined for the game.

The Junior High Eighth graders beat Anson 12-6 Tuesday night in a game played at Anson. This was a conference game and Hamlin is now 1-0 in district and 1-0-1 for the season. Charlie Sellers and Edward Johnson scored the two touchdowns for Hamlin.

Both the seventh and eighth graders will host Aspermont here Tuesday night.

BRIDGE WINNERS

At the master point session of the Hamlin Duplicate Bridge Club held Tuesday evening, Mr. and Mrs. L. W. Shivers, and Mrs. G. W. Comegys and Mrs. Holly Toller tied for first and second. Mrs. Stella Cornelius and Mrs. Howard Overby of Stamford placed third. The club meets Tuesday evenings at the Oil Mill Guest House.

Visiting with Mrs. Florence Calvert during the weekend were three sisters, Mrs. Jewel Thomas of Tuscon, Ariz. Mr. and Mrs. Jim O'Neal of Cottonwood, Ariz. and Mr. and Mrs. W. C. Watts from Graham, a brother, Mr. and Mrs. C. J. Cooley of Big Spring and her son, Mr. and Mrs. H. V. Kelly, Kenny and Jesse of Mineral Wells.

FORMER RESIDENT MARRIES — Martha DeLaine Burton, daughter of Mr. and Mrs. Howell D. Burton of Littleton, Colo., former residents of Hamlin, was married to Charles Norman Bechtol, son of Mr. Todd W. Bechtol and the late Mrs. Bechtol of Salt Lake City, Utah, Sept. 4 at 3:30 p.m. in Emmanuel Methodist Church in Denver, Colo. The couple will live in Denver. The bride's relatives attending the ceremony were her maternal grandparents, Mr. and Mrs. J. S. Dillingham, and their daughter, Mrs. Don D. Hymer, all of Hamlin; her paternal grandparents, Mr. and Mrs. J. H. Burton, and Mrs. Evelyn H. Cox, all of Abilene.

Junior High Class Officers Named

Class officers for the 1966-67 school term of Hamlin Junior High School were elected by each room.

The officers are as follows: Room 8A, teacher, Mrs. H. D. Stallcup, president, Denise Preston; vice president, Dwayne Miller; reporter, Darrell Craig, yearbook representative, Toni Casey; fire marshal, Edward Johnson.

Room 8B, Mrs. Donley William; pres. Jacky McComack; v. pres. Steve Teichelman; reporter, Eddie Marentes; yearbook rep. Marsha Hester; fire marshal, Jerry Brown.

Room 8C, Mr. Robert Brandon; pres. Bobby McKissack; v. pres. Daily Londer; reporter, Jo Lynn Holford; yearbook rep. Gene Strickland; fire marshal, Charles White.

Room 7A, Mrs. Sam Ferguson; pres. Jim Clifton; v. pres. Max Littlefield; reporter, Shelley Holtz; yearbook rep. Bryce Flower; fire marshal, Latrese Williams.

Room 7B, Mr. Kenneth Levrett; pres. Rodney Rackley; v. pres. Robert McMillan; reporters, Stephen Rankin, Mary Dell Jenkins; yearbook rep. Jimmy Lou Bishop; fire marshal, Billy Boil.

Room 7C, Mrs. Weldon Johnson; pres. Fernando Rangel; v. pres. Mike Donham; reporter, Carol Shearer; yearbook rep. Beverly Sutton; fire marshal, Charlie Thompson; secretary, Deborah Meyner.

Mr. and Mrs. W. J. Darden of Haskell are parents of a son, Stephen Dwayne, born Sept. 19. He weighed 6 lbs.

Mr. and Mrs. Condo Gonzales of Roby are parents of a girl, Amelia, born Sept. 18 at 5:18 a.m. She weighed 6 lbs. 13 oz.

Library Club Elects Officers; FHA Sets Car Wash Saturday Morning

Fort Worth proved to be as soggy a site as Hamlin has been for the past weeks. However, the large number of Piper fans who made the trip seemed to have an enjoyable stay in spite of the rain. The Pipers fought stoically against the Nolan team and the elements, but were unable to conquer either. We are all looking forward to an exciting, dry game with Cisco Friday night.

Mr. Cook said Tuesday that he wanted to thank all of the people who carried students in their cars to Fort Worth for the game. Two school buses for the pep squad and one bus for the band were taken. Many students were carried in cars.

Randy George, Hamlin FFA member, exhibited two gilts and a boar at the West Texas Fair last week. He received two second place ribbons and one third place.

A lot of spirit was shown at the Pep Rally Friday morning. Speakers at the rally were Mr. Cook, superintendent; Larry McCoy, football captain; Linda Goodwin, pep squad majorette; and Margaret Cooper, band majorette. The band and pep squad were in full uniform for the rally and for pictures.

The library club is now organizing for the current year. A meeting was held last week to select assistant librarians.

Officers elected Tuesday at noon were Geneva Ward, president; James Knabel, vice president; Debra Blanton, secretary; Reba Jackson, reporter and Beth Craig, historian. Mrs. Joe Youngblood is sponsor.

The group discussed their float for Homecoming.

A district FFA meeting was held Tuesday in Stamford. The program of work was selected for the district. Those from Hamlin attending were: Randy George, Brit Thompson, and Leldon Clifton.

The FHA girls will hold a car wash Saturday. They will wash cars beginning at 9 a. m. at the Piper Car Wash. Two dollars a car will be charged. All FHA-ers are asked to help.

Mr. and Mrs. Bill Keck were

guests for the Wednesday devotional. Mr. Keck is music and educational director for the First Baptist Church. Mrs. Keck played the piano while Mr. Keck gave his testimony in songs.

HHS gives a hearty welcome this week to LaWanda Coleman and Cindy Tucker. Lawanda comes from Berkeley, Calif. She is a senior and her hobby is fishing. She attends Oak Grove Baptist Church.

Cindy Tucker, a sophomore, moved here from Anson. Her father, Otis Tucker, is with Oil Well Supply Co. Her mother works at Anson Flower and Gift Shop. Cindy attends the First Methodist Church.

Plans were made last week by the Student Council to include junior high school news in the high school paper, "From Behind the Green Door". The paper staff published two issues and the junior high news was included in the second publication.

Visiting in the home of Mr. and Mrs. Joe A. Simpson are his sisters, Mrs. John Denton of Arcadia; Mrs. James Golden of Dallas and Mrs. Watt Ross of Hico; and a niece, Mrs. Jack Moffett of Dallas.

Mrs. Charlie Mular of Long Beach, Calif. is visiting her parents Mr. and Mrs. Salvador Pistone.

LVN Class Elects Officers Friday

Officers for the new vocational nurses class at Hamlin Hospital were elected at a meeting Friday. The class is an extension of the Jones County School with Anna Kimbrough of Haskell as instructor.

The class started Aug. 29 includes Miss Ann Hale, Mrs. Glen Williams, Mrs. Albert F. Douglas Jr., Mrs. Layman Hicks, Mrs. D. D. Donham, Mrs. W. R. Allen and Mrs. Roy Stinnett.

Officers are Mrs. Williams, president; Miss Hale, secretary; Mrs. Hicks, social chairman and Mrs. Allen, reporter.

B&PW Club Sets San Angelo Meet

The Business & Professional Woman's Clubs of District Seven will convene in San Angelo Sept. 24-25 in the Cactus Hotel.

Mrs. G. Barnes of Beaumont, second vice president of Texas B & PW Clubs, will be the banquet speaker in the Crystal Room at 7:30 p. m. Saturday.

SP 4 Donald Brown, son of Mr. and Mrs. A. S. Brown, Rt. 3, was home on leave from Schweinfurt, Germany, where he has been stationed since December, 1965. He entered the service July 21, 1965, and has been stationed at Ft. Polk, La., and Ft. Knox, Ky. He is a 1962 graduate of Hamlin High School. He left for Germany Tuesday.

Literary Club Adds Members

At a called meeting of the Woman's Literary Club Friday morning at Harden Memorial Library, two new members were elected.

The names of Mrs. Jackie Williams and Mrs. Johnny Jeffrey were presented for Membership by Mrs. L. H. McBride, membership chairman. The two were unanimously elected.

Many Improvements In Restyled 1967 Chevrolet Truck Line

Clean, trim practical styling that gives a low, fleet look to this Fleetside pickup is only one of many advances in the 1967 Chevrolet truck line. Vision, cab comfort, and corrosion-resistance are improved. Other new features in the line include longer bodies and more power for Chevy-Vans, a redesigned, lower four-wheel-drive series, and diesels in forward-control delivery vans. In some larger models, a new shorter cab and front sheet metal design give a shorter wheelbase for improved maneuverability with no loss in load space.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin — Far-flung operations of the Texas Parks and Wildlife Department have been placed under new administrative leadership.

Commissioners have named J. R. (Bob) Singleton as executive director. He replaces J. Weldon Watson who resigned last June.

Singleton had been serving as director of Region IV with headquarters in La Porte.

He picked Robert G. Mauer, Region V director at Rockport, as his chief deputy.

In his first press conference, Singleton said he is considering recommending a change in the Commission's controversial policy on shell dredging.

He did not disclose exactly what he has in mind but said any such proposal would be "in the field of broad policy." His own close observation of dredging operations, he added, have convinced him that the Commission's 1963 and 1964 orders permitting shell dredging up to 300 feet of live reefs

under close department supervision result in "extremely insignificant" oyster kill.

This issue has been heatedly debated between dredgers on one hand and fishermen and conservationists on the other since the old 1,500-foot-minimum-distance-from-reef policy was abolished.

A statewide tour of department facilities, particularly the parks, is planned by Singleton in order to familiarize himself first-hand with problems and needs.

Singleton declined to express his views on "closed door" meetings of three-member P-W Commission. However, he did say "The commission sets policy. . . . My duty is to implement and carry out that policy."

AG Rules — Not only may a county cut its tax rate when the reason for the tax disappears, but, according to Attorney General Waggoner Carr, it must. He pointed to the law which prohibits the

use of tax funds for any purpose other than for which it was levied.

Carr also held that, while a city may prohibit the sale of alcoholic beverages at any time, it may not prescribe a lesser penalty for such an offense than is provided by state law.

A district court has exclusive jurisdiction over all suits on behalf of the state and county for the collection of penalties on delinquent personal property taxes, although the county court may have the power to share jurisdiction in a suit against property for the actual taxes, Carr ruled.

Big Ben Airport Planned — Federal money will be available for building an airport adjacent to Big Bend National Park for commercial and general aviation, confirms Charles Murphy, Aeronautics Commission director.

Daniel Beard, Texas National Park Service Southwest regional director, said \$450,000 is expected to be provided by the U. S. government.

Money will go to land acquisition, planning and designing and actual construction. T. A. C. will supervise the work, including awarding of contracts, Murphy said. State will have to pay the cost of construction terminal facilities and auto parking accommodations, as well as airport operation.

Texas funds are not now available and will require legislative appropriation or transfer from other source. Arizona's share of the Grand Canyon airport constructed under similar terms was about \$160,000.

Study Results — Attorney General Carr reports that a two-month study of Texas Highway Department records reveals no indication or evidence of price fixing among asphalt producers' sales to the state.

Carr's staff made the study at the request of DeWitt C. Greer, state highway engineer. Request followed the filing of lawsuits in other states alleging antitrust violations by asphalt producers.

Car Inspection Time Here Again

Austin — Colonel Homer Garrison Jr., director of the Texas Department of Public Safety announced today that the 1967 vehicle inspection period has begun.

Garrison said that the new inspection period began on September 1 and will end on April 15, 1967 as prescribed by the Public Safety Commission. The inspection period is the same as in previous years.

"This means that between now and April 15, 1967, each of the five and one half million Texas registered vehicles will have to secure the new green and white 1967 inspection sticker from one of the 5500 official inspection stations," he said.

Garrison suggested that if motorists have their vehicles inspected during the routine visits to garages for ordinary maintenance, the necessity of having to wait in line at a later date for an inspection will be eliminated.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle defects contributing to traffic accidents in Texas during 1965 were the fewest yet experienced since the inspection program began in 1951.

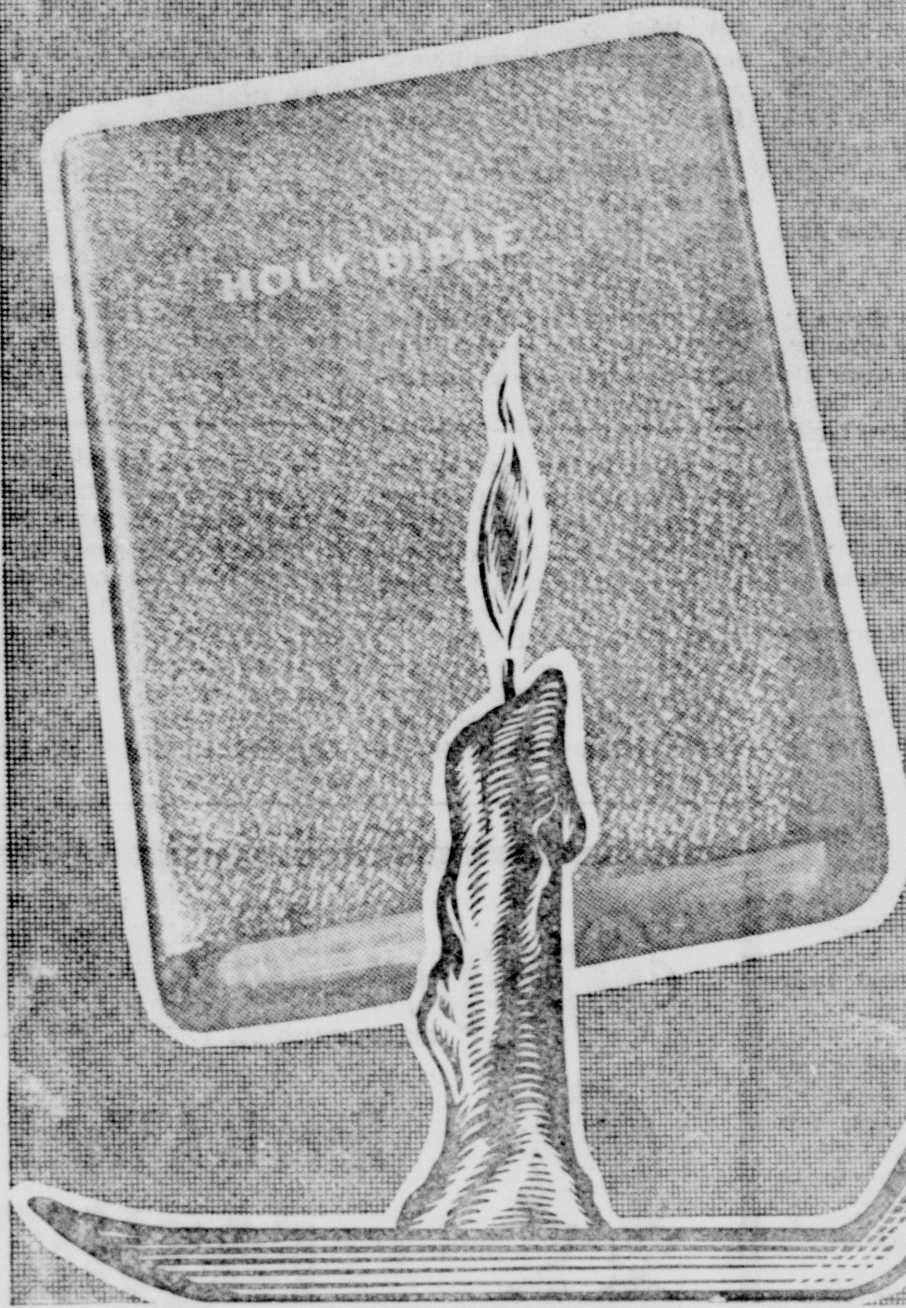

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding..."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SYLVESTER NEWS...

By Mrs. R. M. Babb

Seems every one that attended the Fair really had a good time. Attending were the Roy Herrens, Raymond Kisers, the Kenneth Leveretts, and I have no way of knowing how many more. I am sure the Billy Wayne Jefferies were there as Jana's calf won and we are very proud for her. However, it is not a new thing for Jana to win Blue Ribbons. The Med Herron's grandson from Rotan won Grand Champion with his Angus.

Mrs. Hazzie (Minnie) Ward and Joe Billy of Ft. Worth and Mary Elizabeth Turner of Farwell visited with Mrs. Ella Scott. Mrs. Scott has been returned to Hamlin Hospital and has been quite ill again. Also visiting with her over the weekend were Helen Scott and two young sons, John Craig and Hank of Abilene.

Mrs. W. B. Brown and her father, J. E. Woodson spent Sunday afternoon in Sweetwater visiting the Jerry Prathers.

Mr. and Mrs. Jim Lanning took their son, Lee to begin another term at A&M then drove on to Houston to visit relatives, returning home on Sunday evening. They report Lt. Jimmy Lanning in Vietnam isn't having a very easy time. Calvin Maberry and Thomas Kiser are also in Vietnam.

Mrs. Ezell Whitten of Hamlin and Mrs. May Hurst of our town visited with Aunt Mary Jones and Aunt Maude Byrum in Merkel on Monday then May returned home with Mrs. Whitten for a couple of days.

Mr. and Mrs. Woodford Purshley shopped in Abilene on Saturday.

Before I forget it, we only had 2 in. rain this past week, things are still a wee bit wet. I assure every one drives with care because our streets are so rough that you could break your neck or blow out a tire if you drove very fast. We hope they will soon bring the gravel back from the sides of the road to the middle and maybe it won't be so muddy and rough.

Polly and J. P. Maberry of our town have bought the Cafe know as the M&D Cafe. We know that they know what they are doing so go by and see them, give them a chance to prove they can really feed you a good meal. I know because I have already tried them.

Our sympathy to Mrs. Richard Kelly in the death of her step-father, Mr. Wilson of Anson early this week.

Have you noticed that new light blue siding on the Cliff Early home? Looks real nice, then notice up town and there is a brand new coat of paint on the Mobil Station, so things are on the up grade around here.

Several members of the Baptist Church attended the Workers Conference at Hobbs on Monday night.

Third Annual Cooley Reunion Held Here Sunday

The third annual Cooley reunion was held Sunday at the Oil Mill Guest House.

Attending were Mr. and Mrs. Jim O'Neal of Cottonwood, Ariz., Mrs. Jewel Thomas of Tucson, Ariz., MBr. and Mrs. C. J. Cooley and Martha of Big Spring, Mr. and Mrs. W. C. Watts of Graham, Mr. and Mrs. H. V. Kelly, Kenny and Jesse of Mineral Wells, Mr. and Mrs. Leroy Mench, Mike, Sam, and Debbie of O'Donnell; Mr. and Mrs. B. K. Cooley of Lubbock; Mr. and Mrs. Charles Stanford and daughter of Fort Worth, Mr. and Mrs. Raymond Cooley, Hughline and Ellen of Big Spring; J. D. Cooley and Pat of Hawley, Dicie Woolridge of Abilene.

Mr. and Mrs. Jerry Cooley, Frankie and Remona of Coahoma, Mr. and Mrs. E. L. Cooley of Tahoka, R. H. Cooley of Hamlin, Elvin Cooley, Ruby Talbott, both of Abilene.

Music Director

Romy Lee, son of Mr. and Mrs. J. H. Lee, has been engaged as music director of the Central Baptist Church in Brownwood.

Lee will be a sophomore at Howard Payne College in Brownwood. He attended Cisco Junior College last year. He is a former member of North Central Baptist Church.

Pipers Lose to Nolan Saturday, 26-8, In Game Played In Downpour

The Pied Pipers gave up two quick touchdowns in the first quarter Saturday night to the Nolan Vikings and were unsuccessful in playing catch-up the rest of the night, as the Pipers fell 26-8. The game, played on the Fort Worth's Trinity Field, was played in a downpour of rain most of the night.

The rain started late in the first period, after the Pipers were trailing 13-0, and did not let up until after the boys had left the field.

The Pipers took the opening kickoff and moved into Viking territory before being forced to punt with Nolan taking over on their own 25. Rodriguez broke through the Piper line on their first play and raced 64 yards before being brought down from behind by Lewis Shelton at the 11. Nolan picked up a first down six inches from the goal line and quarterback Gonzalez sneaked on the next play. The kick was blocked.

Adams returned the kickoff to the Hamlin 33 and on first down halfback Pat Gallagher picked off Paul Long's pass at the 35 and raced into the end zone. Chris Bruckner kick the point after.

After the kickoff the Pipers started moving and had the ball down to the Viking 32 before being set back with two 15 yard penalties. Quarterback Paul Long and Tailback Sammy Ferguson picked up most of this yardage for the Pipers. Following the penalties, Philip Simpson gained 16 yards on a reverse but three incomplete passes gave the ball back to Nolan on their 38.

The Pipers picked up three first downs on their next series on the running of Adams and Ferguson but were forced to punt from their own 40. Nolan returned the punt 55 yards to the Hamlin 20. The Piper defenses held and Hamlin took over on the 16 just before the half ended.

The Vikings took the second half kickoff and drove 50 yards to score in 10 plays with Bruckner kicking the point after.

The Pipers picked up a first down but then were forced to punt with Nolan getting the ball at their own 37. The Vikings moved down to the

Piper 33 in seven plays and then scored on 33 yard reverse by Larry Morton. The kick was blocked.

The Pipers started their touchdown drive following the kickoff with quarterback Bob Clifton being thrown for a four yard loss and Adams picking up 15 for the first. From the 35, Adams lost 1 and Long hit Simpson for a nine yard pass. Adams broke loss for 11 yards and a first down at the Viking 46.

Adams carried for four and Long seven for another first. Adams gained one, Long's pass was incomplete, and Adams picked up another first on an 11 yard romp. Adams hit for seven and five to gain a first on the Viking 11. Simpson was stopped for no gain and Long passed to Milton Davis for eight to the three. Adams went around right end for the score. Long kept on the point after try and rolled around his left end for the two-pointer.

Neither team could put anything together in the remaining four minutes of the game.

Rural Mail Carriers Distribute Acreage Survey Cards

Postmaster P. H. Sparks announced today that Rural Mail Carriers will begin distributing 1966 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office Department assists U. S. D. A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1966.

To be sure this community is well represented in the survey, Postmaster Sparks urges each patron receiving a card to fill it out and return it to his mailbox.

Neinda Philosopher Gets Mad At Neighbor for Expecting His Tractor to Start On Time

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 seems to be a little hot under the collar about something this week.

Dear editor:
The other morning I had some important work to do and got up real early to get at it, but when I pushed the starter button the tractor wouldn't start.

My neighbor, who had agreed to come over and help me, was put out.

"Why didn't you check that tractor out yesterday?" he wanted to know. "I can't stand around here all morning."

"Now just a minute," I said. "Look at this." I pulled a copy of a newspaper out of my pocket and showed him an article about how much trouble the astronauts had getting off on their latest flight into space.

"Look," I bore down, "if those fellows, with 50 million dollars in expense money, all the brains you can hire, the best mechanics on earth, and all the scientific equipment there is, can turn up with a

leak in the fuel line and have to postpone a flight, what's so outrageous about this tractor's not starting?"

The more I thought about it the madder I got and I told him to go on home and I'd do the work some other time. As he left he tripped over a loose board on the back steps and flung back over his shoulder, "You ought to fix those steps, too."

"Fix em yourself," I muttered to my self.

The trouble with some people is they don't read enough. Hasn't he been keeping up with the condition of the United States Capitol building in Washington? One whole side is about to fall down and they've got it propped up and boards put up overhead to keep bricks from falling on people going in from that side.

What sort of a neighbor have I got that expect me to have a better tractor than the Gemini Rocket and a better house than the United States Capitol, the seat of government of the richest nation on earth?

A man can do just so much,

and people who are always expecting perfection would do well to look around and find out how little there is.

County Agent Suggest Farmers Should Save Afternoon Seed

Save planting seed from afternoon harvested cotton, reminds County Agricultural Agent Clayton. The reason? It has lower moisture content and will keep better until planting time. Seed harvested early in the morning with a high moisture content cannot usually be stored satisfactorily.

Storing cotton seed with above 12 percent moisture often results in heating, spotting and other quality deterioration. This means a longer germination when you plant next spring and a resulting poor stand.

Cotton gins best at a lint moisture content of about seven and one-half percent. Tests show the high-moisture content of seed cotton during the early morning is from the high relative humidity.

Machines should stay out of the fields until the relative humidity is below 60 percent and should not pick or strip if the moisture content of the seed cotton is above 8 percent.

As a rule of thumb — it's a good plan to harvest cotton only between 8 a. m. and about 7 p. m. — but to be safe, save planting seed only from afternoon harvested cotton.

Holding high-moisture cotton on trailers for long periods under crowded conditions in rush season lowers the grade, price and profit. Harvest cotton as dry as possible and keep it dry.

Before storing cotton planting seed, inspect it closely for

damage. Store only seed with high germination (80 percent is good) of reputable varieties. Seed saved for bulk storage, should be less than 12 percent moisture unless good drying and cooling facilities are available.

Finally, Clayton suggests a continuous check during the winter on stored seed.

Texas uses more natural gas than any other state (about half of the gas it produces).

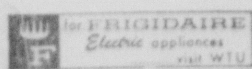

GET "REDDY" FOR WINTER with

flameless
**electric
heating**

...the **HEART** of
total electric living!

Your present electric cooling system may be the basis for adding a flameless electric heating system. If not, West Texas Utilities can put you in touch with Reddy Kilowatt recommended dealers to show you the many choices of electrical heating equipment. Another advantage of electric home heating—economy! During the winter months, when you heat electrically, you only pay WTU's low 1¢ per kilowatt hour rate. After the first basic step of 500 KWH, all the electricity you use for all purposes costs only 1¢ per kilowatt hour plus taxes and fuel adjustment.

Now is the time to get ready for this economical home heating to avoid the rush! Live better and heat better—electrically!

Jeanette Smith of Anson and her husband is from Stamford. The couple attends First Baptist Church.

Airman First Class and Mrs. Sam Slaughter and daughter, Shawn Deanice, 2, moved here this summer and established residence at 537 N. W. Ave. G. He is now stationed in Viet Nam.

Mrs. Slaughter is the former Judy Ward, daughter of Mr. and Mrs. Lee Ward.

The couple belongs to the First Baptist Church. Mrs. Slaughter is a S. S. teacher and works with Sunbeams and the Primary Choir.

During 1965, 68 trillion cubic feet of Texas gas were marketed.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
Rain and weeds, that is the subject of most conversations anywhere you see people gathered. The past few weeks have demonstrated that it can cloud up and rain, at the drop of a hat in West Texas, not just shower but really rain. It is beginning to get serious, cotton is getting so big that it is doubtful if strippers can do much with it, weeds are getting so big that farmers are getting concerned about how to get them down, but still the rains continue. There will be a way to do it all, there always has been. The clouds Saturday night reminded us of a few years ago when the fields were stripped clean in a short time by hail. It was the same color of a cloud, but by some miracle we didn't get even any rain that time.

Last Wednesday night was time for the monthly meeting of the tri-church brotherhood and W. M. U., with the Hanna church as host. There were only seven from Fairview, too many of us sick and not able to go. Hanna has recently called a new pastor, Rev. Bob Davis, but we do not know anything other than his name. Mel Jones entered the Hendrick Hospital on Monday of last week for a series of tests. After having the tests they performed surgery on him Thursday morning, for a tumor on his lungs. As of Sunday he was reported to be out of the intensive care ward, doing fine, and beginning to talk of coming home.

Doyle Jones, San Diego, Calif. flew in for a weekend visit with his father, Mel Jones, and other members of the family.

Rev. and Mrs. Babb and the Winson Grays attended the revival at the Nazarene Church, last Thursday night.

It seems such a short time ago that we were reporting

every week on the serious condition of George Wainscott, in the Abilene Hospital, and now he has recovered enough to go out and get him a job. He is working at the Gulf Station, in south Hamlin, operated by Alton Mayfield.

Seeing some one else get able to go to work, gives me encouragement that this won't last forever, and I can at least take care of things at home. Never having been sick enough to know what it is all about, it surely gets boring. Every body says it just takes time, so time hurry and pass and make me well again.

Last Monday visitor of Mr. and Mrs. Henry was James A. Mayfield.

Last Friday the Grays and Goodwins went to Abilene on business, going to the hospital to see Mel Jones, or to find out how he was doing, since he was not having visitors. They came back by to visit with Mr. and Mrs. E. C. Gray, parents of Winson Gray. They reported Mr. Gray as not feeling good at all.

Rev. and Mrs. Babb took lunch with Mrs. Henry Sunday.

We are sorry to hear that Eli Bruner, who has been in the Hamlin Hospital several weeks, is very seriously ill, at this writing.

Not having been in church Sunday, will have to just report what I heard, but do know that our pastor did resign, so we are in the same shape that I reported Tuxedo to be, last week, without a pastor as of Oct. 2, which will be his last Sunday. This came as a big shock to all of us to lose him after such a short time.

Just a little note of appreciation to the friends down Fort Worth way, for their Card of

FROM THE EAGLE'S BEAK...

By Jeanne Acklin
Linda Spalding

"The Eagle Screams" will be the name of the M. H. S. newspaper. It will be put out once a month. Editor is Jeanne Acklin; assistant editor, Harvey Dixon; sports editor, Bobby Smith; society, Linda Spalding; jokes, Spurlon Harris; cartoon artist, Johnny Ortiz; assistant artist, Lana Acklin; typist, Marton Hernandez; and senior reporter is Adolfo Guerra.

Last Friday was a busy day for the juniors and seniors. The juniors selected their senior rings to be delivered around Christmas. The seniors selected invitations for graduation exercises.

The annual staff decided to have a purple cover with gold for the 1967 annual. Lana Acklin and Sara Williams will be in charge of drawing the title pages.

All students from McCaulley attended the West Texas Fair last Tuesday.

The grade school and high school pep squads had a watermelon sale that was very successful. Mr. and Mrs. Avis Jeffrey furnished the watermelon. Many thanks.

Several new teachers are at McCaulley this year.

Gene Dixon is a graduate of Texas Tech and moved to McCaulley from Hamilton. He and his wife have five children, Harvey, 16; Gregory, 14; Tavia, 11, Vivian, 6; and Barbara 2.

Jasper and Ann Wilson came from Abilene where he was graduated from Hardin-Simmons and is our new coach. Mrs. Wilson is attending

concern when the Fairview News was missing. A little pal on the back once in a while is really encouraging. Thanks.

Removing Birdshot — It's not much fun to chomp down on a hidden shot pellet when enjoying a game dinner. The cook can easily prevent such a painful occurrence by inserting a small light bulb in the bird's cavity before cooking.

Light enables the cook to quickly locate imbedded shot.

Of total Texas gas production three-fourth came from 23,700 gas wells; about one-fourth from 132,000 oil wells casinghead gas)

Big travel bargains are back on the Santa Fe!

What's the gimmick?

Simple. It's the off-season. From September 15th through May 15th, you can save up to 20% (sometimes even more) on round-trip rail fare.

First class or coach, either way it's a travel bargain. And not just on special days, but any day of the week. Your return ticket is good for 30 days—on any Santa Fe train. There's no tax on Santa Fe tickets.

So you see, there's really no gimmick. Just savings. This time, why not take a vacation on the way? Travel Santa Fe. And save.

Ask your local Santa Fe agent for full details on Bargain Fares—and other Santa Fe travel bargains.

HEIDENHEIMER'S

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Boy, wasn't that a mess Saturday night in Fort Worth. For those who did not make the trip, and from the number of people that were at the game at kickoff time that could not have been many, it started raining just after the game started and stopped just after it was over.

It looked like just about everybody tried to tough it out until half but then most of them gave up. It was just raining too hard. Looking up in the stands from down on the field it was a wild sight. Fans, and they had to be fans to stay there at all, were covered up with everything they could find in their cars—raincoats, sheets of plastic, blankets, etc.

Of course, had we won we are sure that the mess would not have been nearly so bad. But it is hard to win against anybody when you give them two quick easy touchdowns like we gave Nolan the other night.

Usually we get to sit up in a warm, dry press box and look down at everybody else as they try to stay warm or dry during weather like this, but this week we were not so lucky. The press box at Trinity Field was so small that we had to run the sidelines. Our notes got so wet that the statistics may be more guess than fact.

Our family and the Grady Allen family took in Six Flags Sunday and we ran into a number of Hamlin people there. Also we understand that a large number of local fans went over to Dallas Sunday to see the Cowboys maul the Giants.

If you have to go that far to see a ballgame it is nice to go to Fort Worth or Dallas where you can make a pleasant weekend out of it and not just go someplace where all you can do is turn around and come home after the game.

This was our family's third trip to Six Flags and it is hard to tell who enjoys it the most, the kids or their father. That place just fascinates me. It is almost unbelievable how much entertainment they can put in such a small place.

As we said this was our third trip and each time they have added enough new things to each attraction that it will hold your interest each time you go. Texans can be very proud that these people have had the vision to not only construct Six Flags but also to keep enlarging it.

The one thing that seems to impress nearly everyone you talk to that has been there is how clean they manage to keep the place with that many people going through it each day.

The Texas Water Development Board has held its final hearing on the Texas Water Plan and will now try to rework their plan to best fit the needs of Texas as expressed by the people from across the state.

This group has been under fire from all over the state about the details of the plan, especially from West Texas.

The biggest problem faced by this group is the fact that according to all reliable figures there simply will not be enough water within the state to meet our needs by 1990. And the plan is supposed to cover the period through 2020.

Of course with the rain we have had for the past month or so it is easy to forget that there is just not much water in West Texas to supply the needs of a growing economy. West Texans will someday be forced to import water from out of state and the sooner we get started on the political aspects of this the better off we are going to be.

Most of our leaders seem to think that we should get more water from north and east Texas but it seems foolish to plan in that direction when over the years we would still be faced with a shortage.

It will not do us much good expending our energy fussing with the people on the water board when our real problem is the fact that mother nature just did not supply us with very much good water.

We would hope that the Texas Water Plan will wake West Texas up to the fact that we need to start work on cleaning up our available water and making plans on getting water from out of state.

TO HOST CISCO FRIDAY — The Pied Piper football squad will host the Cisco Loboes here Friday in their second home game of the season. Pictured left to right, top row, Sammy Hester, Randy Smith, Milton Davis, Jim Bonds, Larry McCoy, David Wallace, Sammy Ferguson; middle row, Jimmy Hastings, Mike

Murphree, Jerry Stuart, Bobby Moore, Raul Solis, Jesse Mendoza, bottom row, Bob Clifton, Philip Simpson, Paul Long, Joe Adams, and Rudy Kelley. Not pictured are Lewis Shelton, Joe Carrington, Doug Carlton, and Ismael Mendoza. (Tim Jones Photo)

Local FFA Group Awarded Top Chapter Honor for Fifth Year

At a meeting of the Stamford District FFA Association held Tuesday in Stamford, the Hamlin FFA Chapter received the Superior Chapter Award. This award is the highest award that the Texas FFA Association can bestow upon an individual chapter. The award was based on the Hamlin Chapter's participation and accomplishments in carrying out the state program of work and the Hamlin Chapter's program of work for the 1965-66 school year. Thus Hamlin is classified as a gold emblem chapter by the Texas FFA Association. This is the fifth consecutive year for the Hamlin Chapter to be a gold emblem chapter.

COLLINS PROMOTED

Tampa, Fla. — Henry W. Collins, president of The Celotex Corporation, has been promoted to vice chairman of the Board of Directors of Jim Walter Corporation, according to James W. Walter, chairman. Eugene R. Katz, vice president and board member of Jim Walter and chairman of the board of Warren Industries, has been elected president and chief executive officer of Celotex. Walter announced. Both Celotex and Warren are subsidiaries of Jim Walter Corp.

Valton Curtis Payne and David Wright, roommates at the Frazier House in Fort Worth, were here from Friday until Sunday visiting with their parents, Mr. and Mrs. Benson Payne and Mr. and Mrs. Jimmy Wright. The young men are employed at a parts supply company in Fort Worth and are attending a trade school at night.

Mr. and Mrs. Frank Legan took their daughter, Linda, to Denton Sept. 11 to attend North Texas State University.

Randy George, Leldon Clifton, and Brit Thompson attended the meeting and represented the local chapter. Randy received the award for the chapter.

At the meeting the Hamlin Chapter was appointed by District President Leslie Garrett of Anson to work up a score card for selecting a sweepstakes winner for district FFA accomplishments.

METHODIST YOUTH TO SEE SMU-NAVY GAME

Some 20 young people and 10 adults from First Methodist Church are expected to be among the thousands of Methodist youth who will see the SMU-NAVY game free Saturday at the invitation of SMU and Navy. SMU Coach and Athletic Director Hayden Fry extended the invitation.

The youth will be seated in a special youth section.

Hamlin students now enrolled at Hardin-Simmons University are Terry Sutton, Larry Braley, and Walter Creason. All are from North Central Ave. Baptist Church.

Rites Held Here For Eli J. Bruner Wednesday

Services were held Wednesday at Calvary Baptist Church for Eli J. Bruner, life long resident of the Hamlin area. Rev. Carrell Watkins, pastor, and Rev. C. G. Barrow of Sunset Baptist Church officiated. Burial was in Neinda Cemetery.

Mr. Bruner died at 8 a.m. Tuesday at Hamlin Memorial Hospital. He had been ill about nine months.

Born Sept. 24, 1897 in Granview, Johnson Co., Texas, he was the son of the late Mr. and Mrs. L. B. Bruner. He married Wilma Galey in Lubbock Co., Texas, Dec. 20, 1922.

He was a retired farmer and a member of the Neinda Baptist Church.

Survivors include his wife, one son, Richard of Houston; three daughters, Mrs. Verlie Jo Smith, Mrs. Juanita Carter and Mrs. Bobbie Rowland all of Houston; four brothers, Leflan of Columbus, Ga., Horace of Abilene, and Roy and Sam of Hamlin; five sisters, Mrs. Eva Johnson of Hamlin, Mrs. Francis Fielder of Alpine, Mrs. Idella Mayfield of Long Beach, Calif., and Mrs. Edith Keister of Oklahoma City, Okla.; six grandchildren and one great grandchild.

Nephews and grandsons were pallbearers.

Mrs. Dick Anderson of Chicago, Ill., sister of H. D. Barnes, died last Wednesday morning, Sept. 14. Mr. Barnes attended the funeral which was held there Saturday.

Bill Rountree Cited As City Water Utility Man by State Organization

Bill Rountree, water superintendent for the Hamlin water supply system, was honored this week by the Texas Water and Sewage Works Association when he was cited as City Water Utility Man of the Month for September.

Rountree, a veteran of more than 40 years representing the city of Hamlin, was selected from more than 4,500 members who make up the statewide organization.

He was nominated for this district award by his district water association, the Long Star Water Sewage Association. Rountree was the first president of this association and is now serving his third term in that capacity. He has held practically every post offered by the association.

Beginning his career with the city of Hamlin in 1925, Rountree holds a Class "B" water works operator certificate and a Class "C" sewage works operator certificate, both from the Texas State Department of Health.

Pied Pipers to Host Cisco Loboes Here Friday Night

The Pied Pipers will host the Cisco Loboes here Friday night in their second home game of the season. Both teams will be seeking their first win as Cisco has lost to Ranger and Albany while Hamlin has been felled by Rotan and Nolan.

The Pipers will be looking

for a dry field Friday after losing to Nolan of Fort Worth Saturday in a downpour.

Coach Joe Youngblood said this week that he plans to make several changes in the offensive and defensive lineups for this game. The Pipers will still be nursing several minor injuries this week.

Youngblood said that if they can play on a dry field he expects to take to the air more and added that he was real pleased with the pass protection given his quarterbacks last Saturday.

On Wednesday he said that he plans to use Sammy Ferguson and Joe Adams at linebackers to gain some speed on defense.

The Cisco Loboes have a young team according to scouting reports here with five sophomores in their starting lineup but are led by senior tailback Larry Hargrave who is a top running back and a good defensive boy.

Benge Burnan, another senior, is rated as the top line-man on both offense and defense.

Probable starters for the Loboes will be Jim Turner, 154 pounds, at quarterback; David Smith, 141 pounds at wingback; Tim Cassle, 130 pounds, at fullback; and Hargrave, 185 pounds, at tailback.

Expected to start in the line will be Robert Pitts, 153 pounds, at center; Preston Midkiff, 147 pounds, and Randy Honea, 140 pounds, at guards; John Preslar, 189 pounds, and Benge Burnan, 190 pounds, at tackles; and Randy Graham, 170 pounds, and Jerry Martindale, 150 pounds, at ends.

7th Grade, B Team To Host Anson Here Tonight

The Hamlin High B Team and the Junior High Seventh Grade will host Anson here tonight (Thursday) with the seventh grade game starting at 6. The Freshmen were scheduled to play Anson tonight but Anson cancelled all of their freshmen games for lack of players.

The freshmen and B team will be combined for the game.

The Junior High Eighth graders beat Anson 12-6 Tuesday night in a game played at Anson. This was a conference game and Hamlin is now 1-0 in district and 1-0-1 for the season. Charlie Sellers and Edward Johnson scored the two touchdowns for Hamlin.

Both the seventh and eighth graders will host Aspermont here Tuesday night.

BRIDGE WINNERS

At the master point session of the Hamlin Duplicate Bridge Club held Tuesday evening, Mr. and Mrs. L. W. Shivers, and Mrs. G. W. Comegys and Mrs. Holly Toller tied for first and second. Mrs. Stella Cornelius and Mrs. Howard Overby of Stamford placed third. The club meets Tuesday evenings at the Oil Mill Guest House.

Visiting with Mrs. Florence Calvert during the weekend were three sisters, Mrs. Jewel Thomas of Tucson, Ariz. Mr. and Mrs. Jim O'Neal of Cottonwood, Ariz. and Mr. and Mrs. W. C. Watts from Graham, a brother, Mr. and Mrs. C. J. Cooley of Big Spring and her son, Mr. and Mrs. H. V. Kelly, Kenny and Jesse of Mineral Wells.

FORMER RESIDENT MARRIES — Martha DeLaine Burton, daughter of Mr. and Mrs. Howell D. Burton of Littleton, Colo., former residents of Hamlin, was married to Charles Norman Bechtol, son of Mr. Todd W. Bechtol and the late Mrs. Bechtol of Salt Lake City, Utah, Sept. 4 at 3:30 p.m. in Emmanuel Methodist Church in Denver, Colo. The couple will live in Denver. The bride's relatives attending the ceremony were her maternal grandparents, Mr. and Mrs. J. S. Dillingham, and their daughter, Mrs. Don D. Hymer, all of Hamlin; her paternal grandparents, Mr. and Mrs. J. H. Burton, and Mrs. Evelyn H. Cox, all of Abilene.

Junior High Class Officers Named

Class officers for the 1966-67 school term of Hamlin Junior High School were elected by each room.

The officers are as follows: Room 8A, teacher, Mrs. H. D. Stallcup, president, Denise Preston; vice president, Dwayne Miller; reporter, Darrell Craig, yearbook representative, Toni Casey; fire marshal, Edward Johnson.

Room 8B, Mrs. Donley Williams, pres. Jacky McCormack; v. pres., Steve Teichelman; reporter, Eddie Marentes; yearbook rep. Marsha Hester; fire marshal, Jerry Brown.

Room 8C, Mr. Robert Brandon; pres. Bobby McKissack; v. pres., Daily Londer; reporter, Jo Lynn Holford; yearbook rep., Gene Strawn; fire marshal, Charles White.

Room 7A, Mrs. Sam Ferguson; pres., Jim Clifton; v. pres., Max Littlefield; reporter, Shelley Holtz; yearbook rep., Bryce Flower; fire marshal, Latrese Williams.

Room 7B, Mr. Kenneth Levrett; pres., Rodney Rackley; v. pres., Robert McMillan; reporters, Stephen Rankin, Mary Dell Jenkins; yearbook rep., Jimmy Lou Bishop; fire marshal, Billy Boil.

Room 7C, Mrs. Weldon Johnson; pres., Fernando Rangel; v. pres., Mike Donham; reporter, Carol Shearer; yearbook rep., Beverly Sutton; fire marshal, Charlie Thompson; secretary, Deborah Meyner.

BIRTHS

Mr. and Mrs. Spencer Liles are parents of a daughter, Connie Jerine, born Sept. 16. She weighed 4 lbs. 13 oz. The couple has two other children, Judy and Steven. Maternal grandparents are Mr. and Mrs. J. G. Smart of Hunt and Mr. and Mrs. Sid Liles of Knox City.

Mr. and Mrs. W. J. Darden of Haskell are parents of a son, Stephen Dwayne, born Sept. 19. He weighed 6 lbs.

Mr. and Mrs. Conditto Gonzales of Roby are parents of a girl, Amelia, born Sept. 18 at 5:18 a.m. She weighed 6 lbs. 13 oz.

Library Club Elects Officers; FHA Sets Car Wash Saturday Morning

Fort Worth proved to be as soggy a site as Hamlin has been for the past weeks. However, the large number of Piper fans who made the trip seemed to have an enjoyable stay in spite of the rain. The Pipers fought stoically against the Nolan team and the elements, but were unable to conquer either. We are all looking forward to an exciting, dry game with Cisco Friday night.

Mr. Cook said Tuesday that he wanted to thank all of the people who carried students in their cars to Fort Worth for the game. Two school buses for the pep squad and one bus for the band were taken. Many students were carried in cars. Randy George, Hamlin FFA member, exhibited two gilts and a boar at the West Texas Fair last week. He received two second place ribbons and one third place.

A lot of spirit was shown at the Pep Rally Friday morning. Speakers at the rally were Mr. Cook, superintendent; Larry McCoy, football captain; Linda Goodwin, pep squad majorette; and Margaret Cooper, band majorette. The band and pep squad were in full uniform for the rally and for pictures.

The library club is now organizing for the current year. A meeting was held last week to select assistant librarians.

Officers elected Tuesday at noon were Geneva Ward, president; James Knabel, vice president; Debra Blanton, secretary; Reba Jackson, reporter and Beth Craig, historian. Mrs. Joe Youngblood is sponsor.

The group discussed their float for Homecoming.

A district FFA meeting was held Tuesday in Stamford. The program of work was selected for the district. Those from Hamlin attending were: Randy George, Brit Thompson, and Leldon Clifton.

The FHA girls will hold a car wash Saturday. They will wash cars beginning at 9 a.m. at the Piper Car Wash. Two dollars a car will be charged. All FHA-ers are asked to help.

Mr. and Mrs. Bill Keck were

guests for the Wednesday devotional. Mr. Keck is music and educational director for the First Baptist Church. Mrs. Keck played the piano while Mr. Keck gave his testimony in songs.

HHS gives a hearty welcome this week to LaWanda Coleman and Cindy Tucker. Lawanda comes from Berkeley, Calif. She is a senior and her hobby is fishing. She attends Oak Grove Baptist Church. Cindy Tucker, a sophomore, moved here from Anson. Her father, Otis Tucker, is with Oil Well Supply Co. Her mother works at Anson Flower and Gift Shop. Cindy attends the First Methodist Church.

Plans were made last week by the Student Council to include junior high school news in the high school paper, "From Behind the Green Door". The paper staff published two issues and the junior high news was included in the second publication.

Visiting in the home of Mr. and Mrs. Joe A. Simpson are his sisters, Mrs. John Denton of Arcadia; Mrs. James Golden of Dallas and Mrs. Watt Ross of Hico; and a niece, Mrs. Jack Moffett of Dallas.

Mrs. Charlie Mular of Long Beach, Calif. is visiting her parents Mr. and Mrs. Salvador Pistone.

LVN Class Elects Officers Friday

Officers for the new vocational nurses class at Hamlin Hospital were elected at a meeting Friday. The class is an extension of the Jones County School with Anna Kimbrough of Haskell as instructor.

The class started Aug. 29 includes Miss Ann Hale, Mrs. Glen Williams, Mrs. Albert F. Douglas Jr., Mrs. Layman Hicks, Mrs. D. D. Donham, Mrs. W. R. Allen and Mrs. Roy Stinnett.

Officers are Mrs. Williams, president; Miss Hale, secretary; Mrs. Hicks, social chairman and Mrs. Allen, reporter.

B&PW Club Sets San Angelo Meet

Th Business & Professional Woman's Clubs of District Seven will convene in San Angelo Sept. 24-25 in the Cactus Hotel.

Mrs. G. Barnes of Beaumont, second vice president of Texas B & PW Clubs, will be the banquet speaker in the Crystal Room at 7:30 p. m. Saturday.

SP 4 Donald Brown, son of Mr. and Mrs. A. S. Brown, Rt. 3, was home on leave from Schweinfurt, Germany, where he has been stationed since December, 1965. He entered the service July 21, 1965, and has been stationed at Ft. Polk, La., and Ft. Knox, Ky. He is a 1962 graduate of Hamlin High School. He left for Germany Tuesday.

Literary Club Adds Members

At a called meeting of the Woman's Literary Club Friday morning at Harden Memorial Library, two new members were elected.

The names of Mrs. Jackie Williams and Mrs. Johnny Jeffrey were presented for Membership by Mrs. L. H. McBride, membership chairman. The two were unanimously elected.

Many Improvements In Restyled 1967 Chevrolet Truck Line

Clean, trim practical styling that gives a low, fleet look to this Fleetside pickup is only one of many advances in the 1967 Chevrolet truck line. Vision, cab comfort, and corrosion-resistance are improved. Other new features in the line include longer bodies and more power for Chevy-Vans, a redesigned, lower four-wheel-drive series, and diesels in forward-control delivery vans. In some larger models, a new shorter cab and front sheet metal design give a shorter wheelbase for improved maneuverability — with no loss in load space.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin — Far-flung operations of the Texas Parks and Wildlife Department have been placed under new administrative leadership.

Commissioners have named J. R. (Bob) Singleton as executive director. He replaces J. Weldon Watson who resigned last June.

Singleton had been serving as director of Region IV with headquarters in La Porte.

He picked Robert G. Mauermann, Region V director at Rockport, as his chief deputy.

In his first press conference, Singleton said he is considering recommending a change in the Commission's controversial policy on shell dredging.

He did not disclose exactly what he has in mind but said any such proposal would be "in the field of broad policy." His own close observation of dredging operations, he added, have convinced him that the Commission's 1963 and 1964 orders permitting shell dredging up to 300 feet of live reefs

under close department supervision result in "extremely insignificant" oyster kill.

This issue has been heatedly debated between dredgers on one hand and fishermen and conservationists on the other since the old 1500-foot-minimum-distance-from-reef policy was abolished.

A statewide tour of department facilities, particularly the parks, is planned by Singleton in order to familiarize himself first-hand with problems and needs.

Singleton declined to express his views on "closed door" meetings of three-member P-W Commission. However, he did say "The commission sets policy. . . . My duty is to implement and carry out that policy."

AG Rules — Not only may a county cut its tax rate when 3 1/2 percent for the tax disappears, but, according to Attorney General Waggoner Carr, it must. He pointed to the law which prohibits the

use of tax funds for any purpose other than for which it was levied.

Carr also held that, while a city may prohibit the sale of alcoholic beverages at any time, it may not prescribe a lesser penalty for such an offense than is provided by state law.

A district court has exclusive jurisdiction over all suits on behalf of the state and county for the collection of penalties on delinquent personal property taxes, although the county court may have the power to share jurisdiction in a suit against property for the actual taxes, Carr ruled.

Big Ben Airport Planned — Federal money will be available for building an airport adjacent to Big Bend National Park for commercial and general aviation, confirms Charles Murphy Aeronautics Commission director.

Daniel Beard, Texas National Park Service Southwest regional director, said \$450,000 is expected to be provided by the U. S. government.

Money will go to land acquisition, planning and designing and actual construction. T. A. C. will supervise the work, including awarding of contracts, Murphy said. State will have to pay the cost of construction terminal facilities and auto parking accommodations, as well as airport operation.

Texas funds are not now available and will require legislative appropriation or transfer from other source. Arizona's share of the Grand Canyon airport constructed under similar terms was about \$160,000.

Study Results — Attorney General Carr reports that a two-month study of Texas Highway Department records reveals no indication or evidence of price fixing among asphalt producers' sales to the state.

Carr's staff made the study at the request of DeWitt C. Greer, state highway engineer. Request followed the filing of lawsuits in other states alleging antitrust violations by asphalt producers.

Car Inspection Time Here Again

Austin — Colonel Homer Garrison Jr., director of the Texas Department of Public Safety announced today that the 1967 vehicle inspection period has begun.

Garrison said that the new inspection period began on September 1 and will end on April 15, 1967 as prescribed by the Public Safety Commission. The inspection period is the same as in previous years.

"This means that between now and April 15, 1967, each of the five and one-half million Texas registered vehicles will have to secure the new green and white 1967 inspection sticker from one of the 5500 official inspection stations," he said.

Garrison suggested that if motorists have their vehicles inspected during the routine visits to garages for ordinary maintenance, the necessity of having to wait in line at a later date for an inspection will be eliminated.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle defects contributing to traffic accidents in Texas during 1965 were the fewest yet experienced since the inspection program began in 1951.

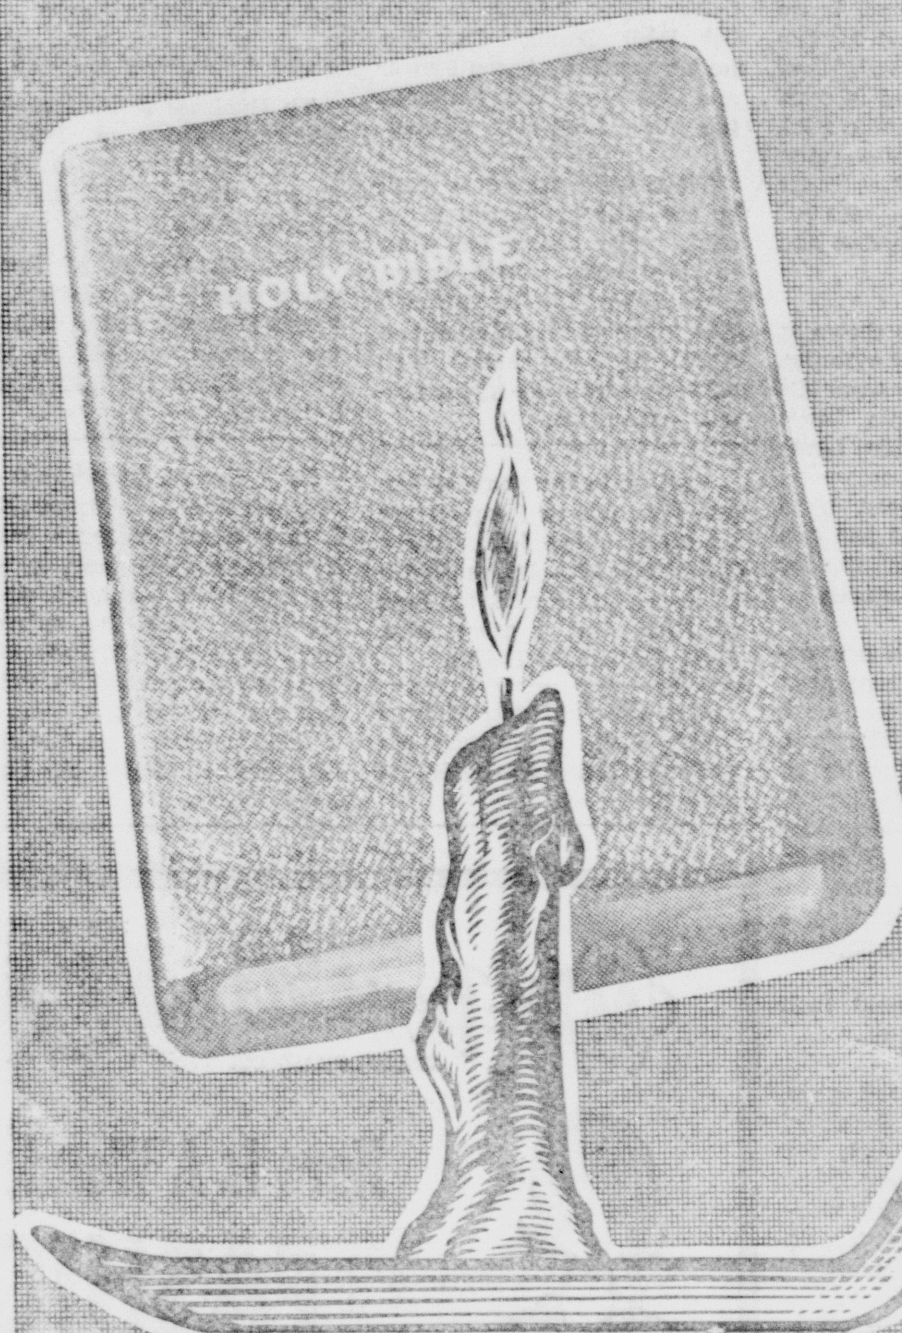

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding..."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SYLVESTER NEWS...

By Mrs. R. M. Babb

Seems every one that attended the Fair really had a good time. Attending were the Roy Herrons, Raymond Kisers, the Kenneth Leveretts, and I have no way of knowing how many more. I am sure the Billy Wayne Jefferies were there as Jana's calf won and we are very proud for her. However, it is not a new thing for Jana to win Blue Ribbons. The Med Herron's grandson from Rotan won Grand Champion with his Angus.

Mrs. Hazzie (Minnie) Ward and Joe Billy of Ft. Worth and Mary Elizabeth Turner of Farwell visited with Mrs. Ella Scott. Mrs. Scott has been returned to Hamlin Hospital and has been quite ill again. Also visiting with her over the weekend were Helen Scott and two young sons, John Craig and Hank of Abilene.

Mrs. W. B. Brown and her father, J. E. Woodson spent Sunday afternoon in Sweetwater visiting the Jerry Prathers.

Mr. and Mrs. Jim Lanning took their son, Lee to begin another term at A&M then drove on to Houston to visit relatives, returning home on Sunday evening. They report Lt. Jimmy Lanning in Vietnam isn't having a very easy time. Calvin Maberry and Thomas Kiser are also in Vietnam.

Mrs. Ezell Whitten of Hamlin and Mrs. May Hurst of our town visited with Aunt Mary Jones and Aunt Maude Byrum in Merkel on Monday then May returned home with Mrs. Whitten for a couple of days.

Mr. and Mrs. Woodford Purley shopped in Abilene on Saturday.

Before I forget it, we only had 2 in. rain this past week, things are still a wee bit wet. I assure every one drives with care because our streets are so rough that you could break your neck or blow out a tire if you drove very fast. We hope they will soon bring the gravel back from the sides of the road to the middle and maybe it won't be so muddy and rough.

Polly and J. P. Maberry of our town have bought the Cafe know as the M&D Cafe. We know that they know what they are doing so go by and see them, give them a chance to prove they can really feed you a good meal. I know because I have already tried them.

Our sympathy to Mrs. Richard Kelly in the death of her step-father, Mr. Wilson of Anson early this week.

Have you noticed that new light blue siding on the Cliff Early home? Looks real nice, then notice up town and there is a brand new coat of paint on the Mobil Station, so things are on the up grade around here.

Several members of the Baptist Church attended the Workers Conference at Hobbs on Monday night.

Third Annual Cooley Reunion Held Here Sunday

The third annual Cooley reunion was held Sunday at the Oil Mill Guest House.

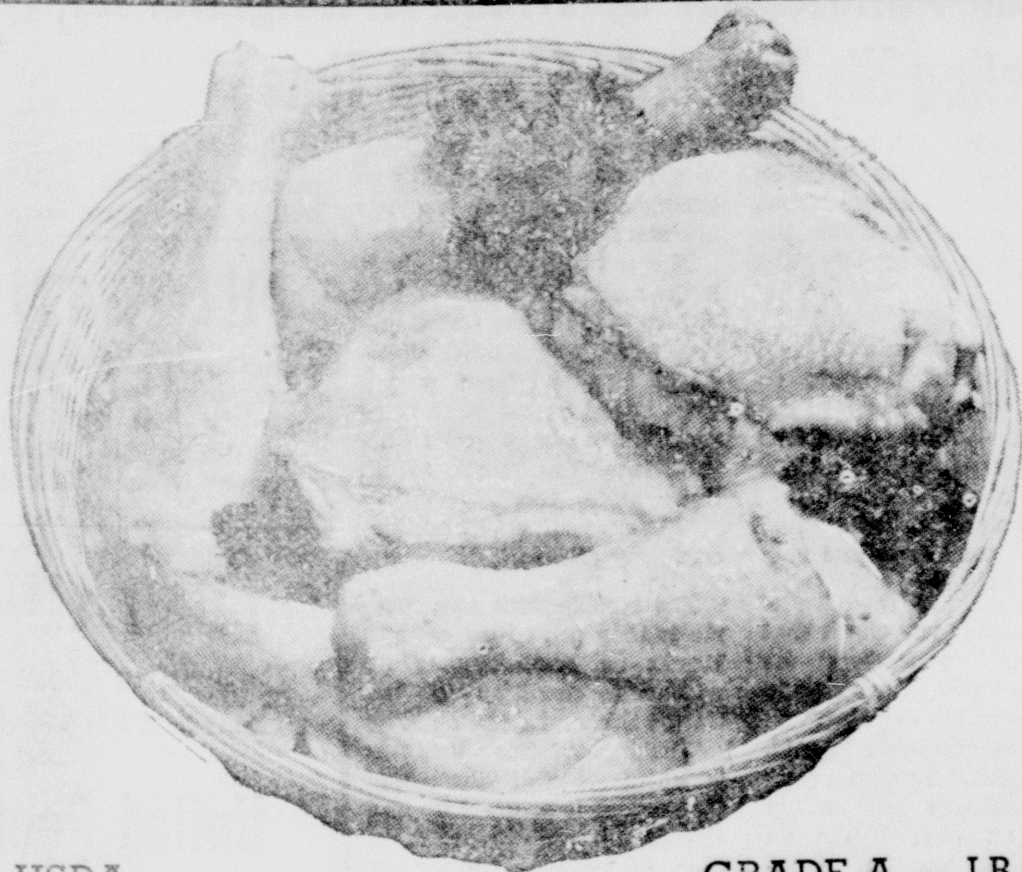

Attending were Mr. and Mrs. Jim O'Neal of Cottonwood, Ariz., Mrs. Jewel Thomas of Tucson, Ariz., Mr. and Mrs. C. J. Cooley and Martha of Big Spring, Mr. and Mrs. W. C. Watts of Graham, Mr. and Mrs. H. V. Kelly, Kenny and Jesse of Mineral Wells, Mr. and Mrs. Leroy Mench, Mike, Sam, and Debbie of O'Donnell; Mr. and Mrs. B. K. Cooley of Lubbock; Mr. and Mrs. Charles Stanford and daughter of Fort Worth, Mr. and Mrs. Raymond Cooley, Hughline and Ellen of Big Spring; J. D. Cooley and Pat of Hawley, Dixie Woolridge of Abilene.

Mr. and Mrs. Jerry Cooley, Frankie and Remona of Coahoma, Mr. and Mrs. E. L. Cooley of Tahoka, R. H. Cooley of Hamlin, Elvin Cooley, Ruby Talbott, both of Abilene.

Music Director

Ronny Lee, son of Mr. and Mrs. J. H. Lee, has been engaged as music director of the Central Baptist Church in Brownwood.

Lee will be a sophomore at Howard Payne College in Brownwood. He attended Cisco Junior College last year. He is a former member of North Central Baptist Church.

Pipers Lose to Nolan Saturday, 26-8, In Game Played In Downpour

The Pied Pipers gave up two quick touchdowns in the first quarter Saturday night to the Nolan Vikings and were unsuccessful in playing catch-up the rest of the night, as the Pipers fell 26-8. The game, played on the Fort Worth's Trinity Field, was played in a downpour of rain most of the night.

The rain started late in the first period, after the Pipers were trailing 13-0, and did not let up until after the boys had left the field.

The Pipers took the opening kickoff and moved into Viking territory before being forced to punt with Nolan taking over on their own 25. Rodriguez broke through the Piper line on their first play and raced 64 yards before being brought down from behind by Lewis Shelton at the 11. Nolan picked up a first down six inches from the goal line and quarterback Gonzalez sneaked on the next play. The kick was blocked.

Adams returned the kickoff to the Hamlin 33 and on first down halfback Pat Gallagher picked off Paul Long's pass at the 35 and raced into the end zone. Chris Bruckner kick the point after.

After the kickoff the Pipers started moving and had the ball down to the Viking 32 before being set back with two 15 yard penalties. Quarterback Paul Long and Tailback Sammy Ferguson picked up most of this yardage for the Pipers. Following the penalties, Philip Simpson gained 16 yards on a reverse but three incomplete passes gave the ball back to Nolan on their 38.

The Pipers picked up three first downs on their next series on the running of Adams and Ferguson but were forced to punt from their own 40. Nolan returned the punt 55 yards to the Hamlin 20. The Piper defenses held and Hamlin took over on the 16 just before the half ended.

The Vikings took the second half kickoff and drove 53 yards to score in 10 plays with Bruckner kicking the point after.

The Pipers picked up a first down but then were forced to punt with Nolan getting the ball at their own 37. The Vikings moved down to the

Piper 33 in seven plays and then scored on 33 yard reverse by Larry Morton. The kick was blocked.

The Pipers started their touchdown drive following the kickoff with quarterback Bob Clifton being thrown for a four yard loss and Adams picking up 15 for the first. From the 35, Adams lost 1 and Long hit Simpson for a nine yard pass. Adams broke loss for 11 yards and a first down at the Viking 46.

Adams carried for four and Long seven for another first. Adams gained one, Long's pass was incomplete, and Adams picked up another first on an 11 yard romp. Adams hit for seven and five to gain a first on the Viking 11. Simpson was stopped for no gain and Long passed to Milton Davis for eight to the three. Adams went around right end for the score. Long kept on the point after try and rolled around his left end for the two-pointer.

Neither team could put anything together in the remaining four minutes of the game.

Rural Mail Carriers Distribute Acreage Survey Cards

Postmaster P. H. Sparks announced today that Rural Mail Carriers will begin distributing 1966 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office Department assists U. S. D. A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1966.

To be sure this community is well represented in the survey, Postmaster Sparks urges each patron receiving a card to fill it out and return it to his mailbox.

Neinda Philosopher Gets Mad At Neighbor for Expecting His Tractor to Start On Time

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 seems to be a little hot under the collar about something this week.

Dear editor:
The other morning I had some important work to do and got up real early to get at it, but when I pushed the starter button the tractor wouldn't start.

My neighbor, who had agreed to come over and help me, was put out.

"Why didn't you check that tractor out yesterday?" he wanted to know. "I can't stand around here all morning."

"Now just a minute," I said. "Look at this." I pulled a copy of a newspaper out of my pocket and showed him an article about how much trouble the astronauts had getting off on their latest flight into space.

"Look," I bore down. "If those fellows, with 50 million dollars in expense money, all the brains you can hire, the best mechanics on earth, and all the scientific equipment there is, can turn up with a

leak in the fuel line and have to postpone a flight, what's so outrageous about this tractor's not starting?"

The more I thought about it the madder I got and I told him to go on home and I'd do the work some other time. As he left he tripped over a loose board on the back steps and flung back over his shoulder, "You ought to fix those steps, too."

"Fix 'em yourself," I muttered to my self.

The trouble with some people is they don't read enough. Hasn't he been keeping up with the condition of the United States Capitol building in Washington? One whole side is about to fall down and they've got it propped up and boards put up overhead to keep bricks from falling on people going in from that side.

What sort of a neighbor have I got that expect me to have a better tractor than the Gemini Rocket and a better house than the United States Capitol, the seat of government of the richest nation on earth?

A man can do just so much,

out how little there is.
Yours faithfully,
J. A.

Texas' 48 refineries processed 890 million barrels of crude oil in 1965, an amount equal to 88 % of state crude production.

County Agent Suggest Farmers Should Save Afternoon Seed

Save planting seed from afternoon harvested cotton, reminds County Agricultural Agent Clayton. The reason? It has lower moisture content and will keep better until planting time. Seed harvested early in the morning with a high moisture content cannot usually be stored satisfactorily.

Storing cotton seed with above 12 percent moisture often results in heating, spotting and other quality deterioration. This means a longer germination when you plant next spring and a resulting poor stand.

Cotton gins best at a lint moisture content of about seven and one-half percent. Tests show the high-moisture content of seed cotton during the early morning is from the high relative humidity.

Machines should stay out of the fields until the relative humidity is below 60 percent and should not pick or strip if the moisture content of the seed cotton is above 8 percent.

As a rule of thumb — it's a good plan to harvest cotton only between 8 a. m. and about 7 p. m. — but to be safe, save planting seed only from afternoon harvested cotton.

Holding high-moisture cotton on trailers for long periods under crowded conditions in rush season lowers the grade, price and profit. Harvest cotton as dry as possible and keep it dry.

Before storing cotton planting seed, inspect it closely for

damage. Store only seed with high germination (80 percent is good) of reputable varieties. Seed saved for bulk storage should be less than 12 percent moisture unless good drying and cooling facilities are available.

Finally, Clayton suggests a continuous check during the winter on stored seed.

Texas uses more natural gas than any other state (about half of the gas it produces).

GET "REDDY" FOR WINTER

with

Flameless
**electric
heating**

...the HEART of
total electric living!

Your present electric cooling system may be the basis for adding a flameless electric heating system. If not, West Texas Utilities can put you in touch with Reddy Kilowatt recommended dealers to show you the many choices of electrical heating equipment. Another advantage of electric home heating—economy! During the winter months, when you heat electrically, you only pay WTU's low 1¢ per kilowatt hour rate. After the first basic step of 500 KWH, all the electricity you use for all purposes costs only 1¢ per kilowatt hour plus taxes and fuel adjustment.

Now is the time to get ready for this economical home heating to avoid the rush! Live better and heat better—electrically!

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
Rain and weeds, that is the subject of most conversations anywhere you see people gathered. The past few weeks have demonstrated that it can cloud up and rain, at the drop of a hat in West Texas, not just shower but really rain. It is beginning to get serious, cotton is getting so big that it is doubtful if strippers can do much with it, weeds are getting so big that farmers are getting concerned about how to get them down, but still the rains continue. There will be a way to do it all, there always has been. The clouds Saturday night reminded us of a few years ago when the fields were stripped clean in a short time by hail. It was the same color of a cloud, but by some miracle we didn't get even any rain that time.

Last Wednesday night was time for the monthly meeting of the tri-church brotherhood and W. M. U., with the Hanna church as host. There were only seven from Fairview, too many of us sick and not able to go. Hanna has recently called a new pastor, Rev. Bob Davis, but we do not know anything other than his name.

Mel Jones entered the Hendrick Hospital on Monday of last week for a series of tests. After having the tests they performed surgery on him Thursday morning, for a tumor on his lungs. As of Sunday he was reported to be out of the intensive care ward, doing fine, and beginning to talk of coming home.

Doyle Jones, San Diego, Calif. flew in for a weekend visit with his father, Mel Jones, and other members of the family.

Rev. and Mrs. Babb and the Winslow Grays attended the revival at the Nazarene Church, last Thursday night.

It seems such a short time ago that we were reporting

every week on the serious condition of George Wainscott, in the Abilene Hospital, and now he has recovered enough to go out and get him a job. He is working at the Gulf Station, in south Hamlin, operated by Alton Mayfield.

Seeing some one else get able to go to work, gives me encouragement that this won't last forever, and I can at least take care of things at home. Never having been sick enough to know what it is all about, it surely gets boring. Every body says it just takes time, so time hurry and pass and make me well again.

Last Monday visitor of Mr. and Mrs. Henry was James A. Mayfield.

Last Friday the Grays and Goodwins went to Abilene on business, going to the hospital to see Mel Jones, or to find out how he was doing, since he was not having visitors. They came back by to visit with Mr. and Mrs. E. C. Gray, parents of Winslow Gray. They reported Mr. Gray as not feeling good at all.

Rev. and Mrs. Babb took lunch with Mrs. Henry Sunday.

We are sorry to hear that Eli Bruner, who has been in the Hamlin Hospital several weeks, is very seriously ill, at this writing.

Not having been in church Sunday, will have to just report what I heard, but do know that our pastor did resign, so we are in the same shape that I reported Tuxedo to be, last week, without a pastor as of Oct. 2, which will be his last Sunday. This came as a big shock to all of us to lose him after such a short time.

Just a little note of appreciation to the friends down Fort Worth way, for their Card of

FROM THE EAGLE'S BEAK...

By Jeanne Acklin
Linda Spalding

"The Eagle Screams" will be the name of the M. H. S. newspaper. It will be put out once a month. Editor is Jeanne Acklin; assistant editor, Harvey Dixon; sports editor, Bobby Smith; society, Linda Spalding; jokes, Spurlon Harris; cartoon artist, Johnny Ortiz; assistant artist, Lana Acklin; typist, Marton Hernandez; and senior reporter is Adolfo Guerra.

Last Friday was a busy day for the juniors and seniors. The juniors selected their senior rings to be delivered around Christmas. The seniors selected invitations for graduation exercises.

The annual staff decided to have a purple cover with gold for the 1967 annual. Lana Acklin and Sara Williams will be in charge of drawing the title pages.

All students from McCaulley attended the West Texas Fair last Tuesday.

The grade school and high school pep squads had a watermelon sale that was very successful. Mr. and Mrs. Avis Jeffrey furnished the watermelon. Many thanks.

Several new teachers are at McCaulley this year.

Gene Dixon is a graduate of Texas Tech and moved to McCaulley from Hamilton. He and his wife have five children, Harvey, 16; Gregory, 14; Tavia, 11, Vivian, 6; and Barbara 2.

Jasper and Ann Wilson came from Abilene where he was graduated from Hardin-Simmons and is our new coach. Mrs. Wilson is attending

concern when the Fairview News was missing. A little pain on the back once in a while is really encouraging. Thanks.

ing Hardin-Simmons and is teaching the pre-schoolers. They have been married almost a year.

Rojean Hicks is teaching the third and fourth grades. She is a graduate of McCaulley College. She and her husband, Eldon Hicks, have one boy and two girls. They are from Trent.

Hattie Rodgers is the first and second grade teacher. She is single and is attending Tarleton State College.

The McCaulley Eagles played the Wiener Bulldogs. They played a tough game but the Bulldogs won 21 to 12.

The Pep Squad is working on their new clothes and hope to have them ready for the Homecoming game. That game has not been decided yet.

A Powder Puff football game is being planned for the high school girls. We are trying to get the boys to be the cheerleaders and pep squad. We are sure that if you come you will be glad. We haven't decided on the date but, be sure to watch in this space for the date. The McCaulley junior and senior classes are selling magazines during the next three weeks.

Texas had 120.6 trillion cubic feet of natural gas reserves at end of 1965 (42.1 % of U. S.)

Removing Birdshot — It's not much fun to chomp down on a hidden shot pellet when enjoying a game dinner. The cook can easily prevent such a painful occurrence by inserting a small light bulb in the bird's cavity before cooking.

ing. Light enables the cook to quickly locate imbedded shot.

Of total Texas gas production three-fourth came from 23,700 gas wells; about one-fourth from 132,000 oil wells casinghead gas)

Big travel bargains are back on the Santa Fe!

What's the gimmick?

Simple. It's the off-season. From September 15th through May 15th, you can save up to 20% (sometimes even more) on round-trip rail fare.

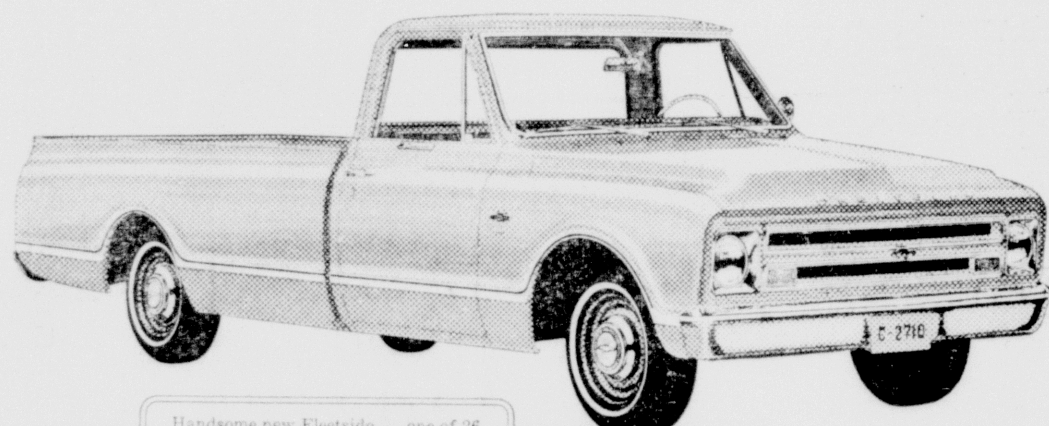

First class or coach, either way it's a travel bargain. And not just on special days, but any day of the week. Your return ticket is good for 30 days—on any Santa Fe train. There's no tax on Santa Fe tickets.

So you see, there's really no gimmick. Just savings. This time, why not take a vacation on the way? Travel Santa Fe. And save.

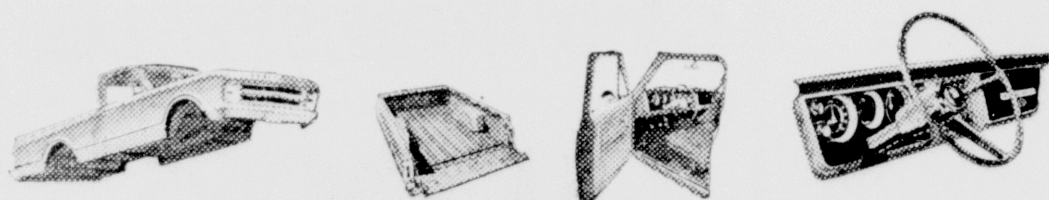

Ask your local Santa Fe agent for full details on Bargain Fares—and other Santa Fe travel bargains.
